

Mulberry Miniatures

Maximize your small spaces

2026-2027

Dear Valued Customer

Thank you for your interest in our miniature plant collections and for supporting our small business. We are delighted to introduce six new and exciting varieties to this year's program, expanding the unique selection available to you and your customers.

Our goal is to provide inspiration and practical guidance for creating beautiful, thriving miniature gardens while helping you successfully grow, maintain, and market these exceptional plants. We hope this catalog serves as a valuable resource throughout the season.

We appreciate your partnership and look forward to growing together. Wishing you a successful and prosperous year ahead!

Ordering Guide & Information:

We do our best to make the ordering & shipping process as easy as possible. Please see the information below to help answer any questions you may have.

Availability:

-We send out an updated availability every two weeks via email. Availability is based on a first come first serve basis. A copy of our current availability is also posted on our website at perfectionlg.com/mulberry-miniature.

Tray Specifications & Minimums:

- Each tray contains 32 plants. Varieties can be mixed and matched in increments of 8 to reach 32 plants. (Up to 4 different varieties per tray)
- 4 Tray Minimum (128 plants total)
- Harmony Assortments are also available. An assortment consists of one tray of 32 of all Tropical Shade, Tropical Sun, Hardy Shade, Hardy Sun, or Tropical Sun Succulents. We choose 4 varieties that are available and have nice quality to make up an assortment for the requested ship week.

Placing an Order & Shipping:

- You can place an order by contacting one of the many brokers we work with listed on page 1.
- Our deadline for orders shipping the following week is Thursday at noon.
- Shipping boxes hold 2-3 32 ct trays depending on the varieties ordered.
- If you are located within driving distance, place your order with your broker company and choose customer pick-up as your shipping method. We will call to arrange your pick-up date and time.
- All orders are shipped best-way. Our most common method is Fed-Ex or UPS Ground unless Fed-Ex Freight is more cost efficient or the safer method. We will ship Fed-Ex 2-Day only at the customers request.

Shipping Dates:

We ship all year around weather permitting. If the weather is extremely cold/hot we will contact the customer and delay shipping if necessary. If the customer still wants the product during that week we will ship at their own risk for damages. Additional packaging charges may apply.

EOD:

We offer an EOD of 5% for 2027 orders placed between July 1st, 2026 and September 30th, 2026. This discount only applies to orders shipping after January 1st, 2027.

Best Time to Order:

If you are wanting certain varieties it is best to place your order early to assure availability. Best sellers tend to sell out quickly for the spring season. If you order early you can also take advantage of our EOD.

Tags & Royalty:

Picture tags are included with all plants and are included in the price of the plant. There are no royalty fees.

Miniature Hardy Shade Perennials

Hardy Shade Collection

Hardy perennial miniature trees, shrubs, and groundcovers prefer the outdoors 365 days a year. They require a cold resting period of at least 45 degrees for several weeks to initiate next year's flowers.

Most enjoy morning sun with afternoon shade though they can tolerate filtered afternoon sun. Many are deer resistant.

Ajuga Multicolor

Botanical: Ajuga reptans 'Multicolor'
Size: Shrub 2" Tall x 5" Wide
Flowering Time: Spring
Zone: 4-8

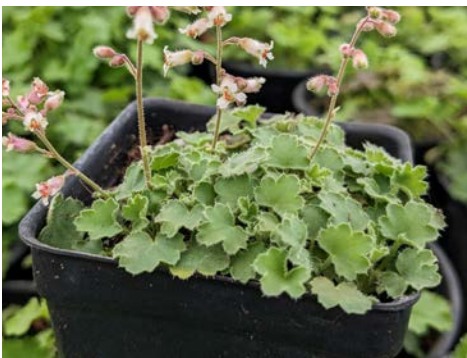

Cream, pink, plum and light green foliage that turns darker in the summer months. Indigo blue flower spikes rise above the foliage mid-spring. Does well in cool shade.

Carpet Tulips

Botanical: Centaurea scilloides
Size: Shrub 3" Tall x 3" Wide
Flowering Time: Spring-Fall
Zone: 5-8

Bright, icy pink flowers appear from spring to fall. A bit of deadheading keeps the pink blossoms coming. Not an aggressive grower but makes nice compact clumps of bright color in dry shady areas.

Coral Bells, Chiquita

Botanical: Heuchera parishii 'Chiquita'
Size: Shrub 3" Tall x 3" Wide
Flowering Time: Late Spring-Summer
Zone: 5-8

Ground hugging green foliage that holds its flowers close. Individual bell shaped flowers have white petals and a pink calyx. Grows well in morning sun and afternoon shade.

Coral Bells, Pulchella

Botanical: Heuchera 'Pulchella'
Size: Shrub 4" Tall x 4" Wide
Flowering Time: Summer
Zone: 3-9

A great addition to trough and rock gardens. This tiny heuchera has beautiful pink flowers in June. The green foliage has a very tight and tidy growing habit. Attracts hummingbirds and bees.

Cryptomeria 'White Thread'

Botanical: Cryptomeria Japonica
 'Knaptonensis'
Size: Tree 8' Tall x 6' Wide
Flowering Time: N/A
Zone: 5-9

A very dwarf conifer. Its new growth is completely white giving the plant a silver dusted appearance. Best in morning sun and afternoon shade. Has an upright tree form habit.

Miniature Hardy Shade Perennials

Daisy, World's Smallest

Botanical: *Bellium bellidioides*

Size: Shrub 2" Tall x 5" Wide

Flowering Time: Spring-Fall

Zone: 4-8

Tiny white daisies that keep blooming all summer. The tiny, light green, spatula shaped leaves form a dense mounding mat of foliage. It can be used as a stepable plant or in a miniature garden.

Elm, Hokkaido

Botanical: *Ulmus parvifolia* 'Hokkaido'

Size: Tree 6" Tall x 5" Wide

Flowering Time: N/A

Zone: 6-10

This world's smallest elm is decorated with tiny leaves and a corky trunk. It can accommodate indoor and outdoor environments with sufficient natural lighting. An easy item for bonsai.

Euonymus, Dwarf Variegated

Botanical: *Euonymus japonicus*

'Microphyllus Variegatus'

Size: Tree 18" Tall x 8" Wide

Flowering Time: N/A

Zone: 6-10

Noted for its bright variegated foliage on an upright, bushy evergreen shrub. Has high salt and drought tolerance. Adds four season color in your landscape and miniature gardens.

Faery Fern, Brass Buttons

Botanical: *Leptinella squalida*

Size: Groundcover 2" Tall x 16" Wide

Flowering Time: N/A

Zone: 5-11

Dull green, ferny foliage creeps just above the soil to form a thick carpet. Thrives in moist, well-drained soil, with regular water. Tolerates foot traffic.

Faery Fern, Platt's Black

Botanical: *Leptinella* x 'Platt's Black'

Size: Groundcover 1" Tall x 16" Wide

Flowering Time: Spring-Summer

Zone: 5-11

Finely textured leaves are green with black tips. To get the mound to turn jet black just add sunshine and water. Can be used to add interest to terrariums and fairy gardens. Also a turf substitute in mild climates.

Hosta, Mini Assorted

Botanical: *Hosta* species and cultivars

Size: Shrub 3" Tall x 4" Wide

Flowering Time: Summer

Zone: 4-8

Easy to grow varieties that reward gardeners with all-season beautiful rosettes of leaves and flowers. Varieties are very winter hardy and drought tolerant. Perfect in miniature gardens and containers.

Miniature Hardy Shade Perennials

Irish Moss

Botanical: *Sagina subulata*

Size: Groundcover 1" Tall x 5" Wide

Flowering Time: Summer

Zone: 5-8

A lush deep green moss-like carpet of foliage. Tiny star-shaped white flowers appear in the summer. Perfect for rock gardens and planting between stepping stones and pavers.

Ivy, Abundance

Botanical: *Hedera helix* 'Abundance'

Size: Groundcover 1" Tall x 6" Wide

Flowering Time: N/A

Zone: 5b-11

Has the tiniest ivy leaves in the world. Prefers bright, indirect light. Water when it's on the drier side. Trim back to make fuller as needed.

Ivy, Dwarf Kenilworth

Botanical: *Cymbalaria Aequitriloba* 'Nana'

Size: Groundcover 3" Tall x 12" Wide

Flowering Time: June to July

Zone: 6-10

Forms a dense, extremely low-growing mat perfect for creeping over stone or softening edges as a border. Thrives in shady areas. Lilac-blue flowers appear in May and sporadically after.

Ivy, Feen Finger

Botanical: *Hedera helix* 'Feen Finger'

Size: Groundcover 1" Tall x 6" Wide

Flowering Time: N/A

Zone: 5b-11

A long fingered, delicate ivy. Easy to grow. Provide bright, indirect light and water when on the dry side. Trim as needed.

Ivy, Mini Easter

Botanical: *Hedera helix* 'Mini Easter'

Size: Groundcover 1" Tall x 6" Wide

Flowering Time: N/A

Zone: 5b-11

Create a proper English garden with this bright cream variegated ivy. Can be trained to climb any miniature hardscape or can be used to fill in empty spaces in your miniature garden.

Ivy, Peter Pan

Botanical: *Hedera helix* 'Peter Pan'

Size: Groundcover 1" Tall x 6" Wide

Flowering Time: N/A

Zone: 5b-11

A small climber with 3-lobed leaves that can be trained to grow on a little fence or arbor in terrariums and fairy gardens. Easy to grow. Trim back when needed.

Miniature Hardy Shade Perennials

Sedge, Chocolate

Botanical: *Carex berggrenii*
Size: Shrub 2" Tall x 4" Wide
Flowering Time: Summer
Zone: 5-11

This low-growing plant forms a clump of coppery-bronze leaves, remaining evergreen. Makes an unusual edging or rock garden plant especially in containers. Can also be planted next to a small pond or stream.

Star Carpet, Alpine White

Botanical: *Pratia puberula* 'Alba'
Size: Groundcover 1" Tall x 6" Wide
Flowering Time: Spring-Fall
Zone: 5b-11

White star shaped flowers blanket this groundcover from summer to fall. Will grow more compact and flower more with a little afternoon sun. Water frequently and never allow to dry out when planted in a sunnier location.

Star Carpet, Baby Blue

Botanical: *Pratia pendunculata*
Size: Groundcover 1" Tall x 6" Wide
Flowering Time: Spring-Fall
Zone: 5b-11

Tolerating morning sun only, this groundcover will show off a carpet of blue flowers from May until Fall. Wonderful around pavers, hanging over a wall or filling in around rocks.

Sweet Flag, Mini Golden

Botanical: *Acorus gramineus* 'Oborozuki'
Size: Shrub 3" Tall x 3" Wide
Flowering Time: N/A
Zone: 5-11

Striking clumps of yellow-striped grass that provides wonderful color and texture for shaded gardens. An excellent groundcover and hardy plant for a water garden.

Woodruff, Tiny Sweet

Botanical: *Asperula suavis*
Size: Groundcover 2" Tall x 8" Wide
Flowering Time: Spring-Fall
Zone: 5-8

A quarter of the size of the original sweet woodruff. Spills over containers with endless white flowers from spring to fall. A well behaved groundcover with endless possibilities.

We take great pride in our Mulberry Miniature collections.

By using proper pruning and care our plants will flourish in your small spaces & planters.

Miniature Hardy Sun Perennials

Alpine Daisy

Botanical: *Erigeron scopalinus*
Size: Shrub 2" Tall x 4" Wide
Flowering Time: Spring-Summer
Zone: 4-8

Small white daisies with yellow centers dot the inch tall, ground hugging mat of leaves. Perfect for a trough garden, filling in crevices in stone walks or in a rock wall.

Betony, Dwarf

Botanical: *Stachys officinalis* 'Nana'
Size: Shrub 6" Tall x 4" Wide
Flowering Time: Spring-Mid Summer
Zone: 5-8

This dense perennial with beautiful spikes of hot pink tiny tubular flowers is the perfect choice for flower gardens. The dark green foliage is happy in full sun or partial shade in a well drained area.

Bitter Root, Little Plum

Botanical: *Lewisia x Longipetala*
 'Little Plum'
Size: Shrub 4" Tall x 6" Wide
Flowering Time: Spring-Summer
Zone: 3-10

An especially heavy bloomer with 1" pink & lavender blooms. It's an easy to grow, tough and hardy plant that likes a sunny location. Perfect in a rock garden or in a container. Deer and drought resistant.

Candytuft, Tiny White

Botanical: *Iberis candolleana*
Size: Shrub 3" Tall x 5" Wide
Flowering Time: Spring-Summer
Zone: 4-8

Pure white blooms to pale pink flowers appear in the spring and re-bloom all summer. The narrow dark green leaves make the blossoms extra showy. Works well in containers, rock gardens and as a border plant.

Cotoneaster, Thyme-Leaf

Botanical: *Cotoneaster thymifolia*
Size: Tree 5" Tall x 5" Wide
Flowering Time: Spring, fruit in Fall
Zone: 5-8

The world's smallest leaved cotoneaster. Pure white flowers appear in the spring and become red berries in the summer through fall. Makes a perfect miniature apple tree.

Cypress, Boulevard

Botanical: *Chamaecyparis pisifera*
 'Boulevard'
Size: Tree Grows 2-6" per year
Flowering Time: N/A
Zone: 4-9

A dense, pyramidal evergreen shrub with soft, silvery blue-gray foliage. It is slow growing, typically reaching 5-6 feet tall in 10 years. Can be shorter with pruning.

Miniature Hardy Sun Perennials

Cypress, Sawara Dwarf

Botanical: *Chamaecyparis pisifera*
'Variegata'

Size: Tree 24" Tall x 24" Wide

Flowering Time: N/A

Zone: 4-8

A loose growing, compact, ever-green shrub with foliage that is boldly variegated with yellow. Useful in rock gardens or as a dwarf conifer. Happy in full sun.

Dianthus, Blue Stone

Botanical: *Dianthus simulans*

Size: Shrub 2" Tall x 4" Wide

Flowering Time: Spring

Zone: 4-8

One of the most compact types of hardy pink flowering dianthus available. Forms a cushion of tiny olive-green leaves that bears pink flowers in the spring. Must have good drainage.

Dianthus, Tiny Rubies

Botanical: *Dianthus gratianopolitanus*
'Tiny Rubies'

Size: Shrub 4" Tall x 8" Wide

Flowering Time: Spring

Zone: 4-8

Bright ruby-pink, mini carnation flowers cover the bluish, grassy foliage in the spring. A perfect dwarf plant for a sunny area and great tucked into nooks of a rock garden.

Elm, Seiju Chinese

Botanical: *Ulmus parvifolia* 'Seiju'

Size: Tree 12" Tall x 12" Wide

Flowering Time: N/A

Zone: 5-10

Very popular for bonsai or just as a miniature tree. It loves the sun but will grow just fine in the shade. Has a fascinating appearance even in winter without leaves. Prefers moist, well-drained soil.

Euonymus, Mini Trailing

Botanical: *Euonymus fortunei* 'Kewensis'

Size: Groundcover 1" Tall x 8" Wide

Flowering Time: N/A

Zone: 5-11

This easily trained vine can climb a trellis, go up a topiary, or grow along a fence. Turns scarlet in the fall and sometimes does not go dormant which makes it great for winter.

Faery Foxglove

Botanical: *Erinus alpinus*

Size: Shrub 2" Tall x 4" Wide

Flowering Time: Spring

Zone: 4-8

A low-growing semi-evergreen perennial that forms rosettes of spoon-shaped leaves. In late spring, pale purplish-pink flowers are at the top of leafy stems. A perfect addition to a rock or container garden.

Miniature Hardy Sun Perennials

Geranium, Tiny Pink

Botanical: *Geranium dalmaticum*
Size: Shrub 2" Tall x 3" Wide
Flowering Time: Spring-Summer
Zone: 4-8

One of the world's smallest hardy geraniums. A carpet of pink flowers appear on top of drought tolerant foliage. Like many geraniums, it gets spectacular orange to red fall color.

Hen & Chick, Cobweb

Botanical: *Sempervirens archnoideum*
Size: Groundcover 2" Tall x 12" Wide
Flowering Time: Summer
Zone: 4-8

Cool, white mini hen and chick rosettes are draped with fuzzy cobwebs. Drought resistant and is perfect in a strawberry jar or succulent garden.

Hen & Chick, Lager's Mini

Botanical: *Sempervirens archnoideum laggeri*
Size: Shrub 1/2" Tall x 4" Wide
Flowering Time: Summer
Zone: 4-8

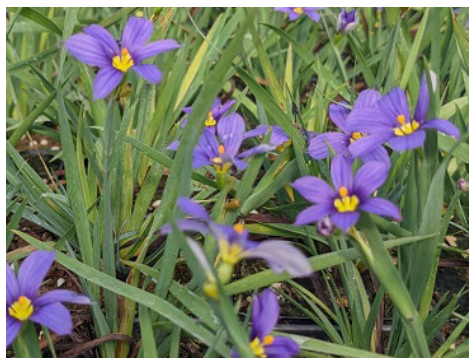

A hardy evergreen perennial succulent. An intriguing plant suitable for containers, rock gardens and walls. Produces flowers in the summer when the plant is mature. Low maintenance and drought tolerant.

Lady's Mantle, Mini

Botanical: *Alchemilla faeroensis pumila*
Size: Shrub 1" Tall x 4" Wide
Flowering Time: Spring-Summer
Zone: 4-8

A clump forming perennial with silvery, jaded edges that will not take over your garden. As a small plant this works well with other miniatures or it can be planted alone in a garden or container.

Lucerne, Blue-Eyed Grass

Botanical: *Sisyrinchium angustifolium*
 'Lucerne'
Size: Shrub 6" Tall x 4" Wide
Flowering Time: Summer
Zone: 4-8

Bright blue flowers with gold shaped centers rise above iris-like foliage. Excellent in informal, naturalized gardens.

Oregano, Micro Silver

Botanical: *Oregano microphyllum*
Size: Shrub 6" Tall x 4" Wide
Flowering Time: Summer
Zone: 5b-9

Even though the silver foliage and purple flowers are edible, its compact size is better suited in a rock, fairy, or train garden. Very fragrant.

Miniature Hardy Sun Perennials

Santolina, Little Ness

Botanical: *Santolina chamaecyparissus*
'Small-ness'

Size: Shrub 4" Tall x 4" Wide

Flowering Time: Summer

Zone: 6-9

A compact, dense, mounding evergreen shrub with aromatic grey-green leaves and button-like yellow flowers. Can be pruned back to any height you desire.

Sedum, Coral Carpet

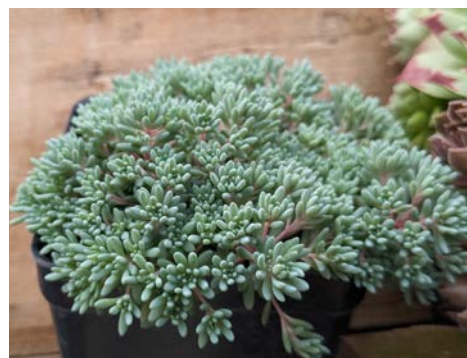

Botanical: *Sedum alba* 'Coral Carpet'

Size: Groundcover 1" Tall x 6" Wide

Flowering Time: Spring

Zone: 4-8

Dry, hot, sunny conditions make these blush red by autumn and a rich red carpet by winter. Flowers open up pale pink.

Sedum, Frosted Blue

Botanical: *Sedum hispanicum* minus
'Pinkie'

Size: Groundcover 2" Tall x 4" Wide

Flowering Time: Spring

Zone: 5-8

This sedum exhibits blue foliage with shades of pink around the edges. Shows off pink, nearly white flowers in early spring. Use as a cascade or creeper in a rock garden or succulent planter.

Sedum, Loves Triangle

Botanical: *Sedum anglicum* 'Loves Triangle'

Size: Groundcover 2" Tall x 5" Wide

Flowering Time: Spring

Zone: 5-8

Pinkish-white flowers on soft, powder blue, pea-sized foliage each spring. Very drought tolerant. A reliable, hardy and easy to grow perennial.

Thrift, Morning Star Deep Rose

Botanical: *Armeria maritima*
'Morning Star Deep Rose'

Size: Shrub 6" Tall x 6" Wide

Flowering Time: Spring-Summer

Zone: 4a-8b

Rugged perennial that thrives in rock gardens and borders and is tolerant of poor soil. Provides deep rose colored flowers on a grassy-like compact plant. Creates a lovely mass planting or use for a burst of color.

Thrift, Nifty Thrifty

Botanical: *Armeria maritima*
'Nifty Thrifty'

Size: Shrub 4" Tall x 8" Wide

Flowering Time: Spring-Summer

Zone: 5-8

Masses of beautiful balls of hot pink flowers at the ends of the stems from mid spring to early summer. Are most effective when planted in groupings. The grassy leaves remain forest green with creamy white variegation throughout the year.

Miniature Hardy Sun Perennials

Thyme Elfin

Botanical: *Thymus praecox* ssp. *articus*
Size: Groundcover 1" Tall x 5" Wide
Flowering Time: Summer
Zone: 4-10

Foliage is grey-green, smothered in soft-pink flowers in early summer. A slow grower with excellent drought tolerance. Attractive to butterflies.

Thyme, Wine & Roses

Botanical: *Thymus praecox*
 'Caborn Wine & Roses'
Size: Groundcover 2" Tall x 6" Wide
Flowering Time: Spring-Summer
Zone: 4-10

Beautiful as a creeping groundcover and useful as an herb. Small, fragrant, oval dark green leaves get covered with clusters of lilac and wine colored flowers attracting beneficial pollinators.

Trumpet Flower, Mini

Botanical: *Putatoria calibrica*
Size: Shrub 6" Tall x 12" Wide
Flowering Time: Summer
Zone: 5-8

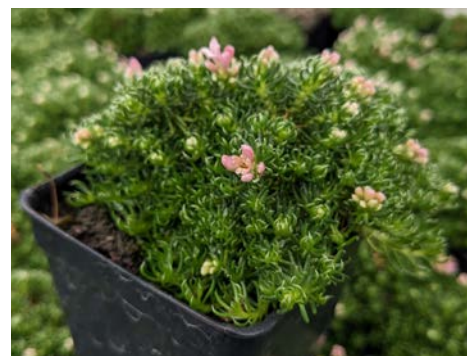

Tight clusters of light, pink trumpet shaped flowers dominate over this low, spreading green shrub spring through summer.

Veronica, Tiny Blue

Botanical: *Veronica oltensis*
Size: Groundcover 1/2" Tall x 6" Wide
Flowering Time: Spring
Zone: 5-8

From rock gardens to in-between patio flagstones, it handles foot traffic. Tiny, dark green, evergreen foliage gets covered in hundreds of small blue flowers that appear mid-spring.

Woodruff, Tiny Sicilian

Botanical: *Asperula gussonei*
Size: Shrub 2" Tall x 4" Wide
Flowering Time: Spring-Summer
Zone: 5-8

A smaller relative to the sweet woodruff. Thick mounds will thrive and produce two-toned, pink blooms barely above the foliage. Does not like to be overwatered.

Yarrow, Tiny Golden

Botanical: *Achillea* sp. x *Utah*
Size: Shrub 2" Tall x 5" Wide
Flowering Time: Spring-Summer
Zone: 5-8

Yellow blooms balance above the traditional ferny yellow foliage reaching no more than a couple of inches tall.

Harmony Plant Collection Assortments

Not Sure What to Order? Let Us Help!

*Our collection assortments provide a quick and easy way to add a variety of plants to your order without spending a lot of time selecting individual varieties.

*Each assortment includes four different varieties from the same collection. We strive to include a mix of at least one tree, one shrub, and one groundcover whenever possible.

*Varieties are selected from the best-quality plants available during your preferred shipping week.

*A convenient and hassle-free option for container workshops, classes, and retail displays.

*Great for customers looking to try new varieties while maintaining a balanced and attractive plant selection.

*The five collections available for assortments are: Hardy Shade, Hardy Sun, Tropical Shade, Tropical Sun and Tropical Sun Succulents.

Miniature Tropical Shade Perennials

Tropical Shade Collection

Tropical shade perennials will live year after year in the South, according to their zone hardiness. Northern gardeners can keep them growing by planting these tropicals in containers outside, between frost times. Transfer the pots indoors, next to a bright window for the winter.

This group prefers only morning sun. They also make the best house & terrarium plants.

African Violet, Humpty Doo

Botanical: Saintpaulia x 'Rob's Humpty Doo'
Size: Shrub 3" Tall x 5" Wide
Flowering Time: Spring
Zone: 4-8

The sweetest, non-stop blue and white flowers. Use room temperature water to avoid permanent splotching on the leaves. Allow water to wick up from the bottom of the pot while watering.

Arrowhead Plant, Pink Faery

Botanical: Syngonium hybrida
Size: Shrub 3" Tall x 5" Wide
Flowering Time: N/A
Zone: 9-11

Works great as a tree in a small terrarium garden or a shrub in a garden railroad. Colorful pale lemon, pink veined, arrowhead shaped leaves on grow on green stems. A very rugged plant.

Arrowhead, Tiny White

Botanical: Syngonium x 'Pixie White'
Size: Shrub 1" Tall x 3" Wide
Flowering Time: N/A
Zone: 9-11

This adorable dwarf variety has the signature arrow-shaped leaves, but stays small and compact. Perfect for terrariums and equally small spaces in the home.

Baby's Tears, Golden

Botanical: Soleirolia soleirollii 'Aurea'
Size: Groundcover 1" Tall x 5" Wide
Flowering Time: N/A
Zone: 7-11

A bright gold version of the popular houseplant. Small, dainty, bright yellow leaves that create a lush mat. A great choice for a terrarium or houseplant.

Begonia, Bower's Black

Botanical: Begonia bowerae 'Nigramarga'
Size: Shrub 3" Tall x 5" Wide
Flowering Time: Spring-Fall
Zone: 9-11

Abundant, pale pink flowers, dotted with dark pink. Has a compact and mounding growth habit. Excellent for a terrarium, windowsill, or summer shade garden.

Miniature Tropical Shade Perennials

Begonia, Mini Maple Leaf

Botanical: *Begonia partita*

Size: Tree 9" Tall x 9" Wide

Flowering Time: Spring-Fall

Zone: 9-11

A semi-tuberous type of begonia with small dark green leaves. It has white flowers and can be kept quite small. The woody stems create a quick and easy bonsai.

Begonia, Rhinestone

Botanical: *Begonia 'Rhinestone Jean'*

Size: Shrub 2" Tall x 4" Wide

Flowering Time: Spring-Fall

Zone: 9-11

Beautiful, mottled, maroon, red and yellow leaves with heavy jagged edges. Makes for a delightful shrub in any situation. White flowers never stop blooming.

Begonia, Tiny Pink

Botanical: *Begonia foliosa*

var. *putzeysiana*

Size: Shrub 6" Tall x 6" Wide

Flowering Time: Spring-Fall

Zone: 9-11

Small leaves on arching branches with tiny soft pink flowers. Likes bright, indirect light and evenly moist soil. Can be used as a house plant, in a terrarium, or a small dish garden.

Calathea, Mini Prayer Plant

Botanical: *Ctenanthe amagris*

Size: Shrub 6" Tall x 10" Wide

Flowering Time: N/A

Zone: 10-12

This stunning plant has beautiful leaves with a variety of colors on them. The top part of the leaves are light green with dark green veins. The bottom side is purple. A smaller calathea that works well as a house plant or in a terrarium.

Calathea, Meehams Miniature

Botanical: *Ctenanthe Micans*

Size: Shrub 4" Tall x 4" Wide

Flowering Time: Summer

Zone: 9-11

The world's smallest prayer plant. Works well in dish gardens and terrariums. Loves warm soil. If it goes dormant, it's not dead, it will resprout.

Calico Plant, Gold Thread

Botanical: *Alternanthera ficoidea*

'Aurea Nana'

Size: Shrub 4" Tall x 4" Wide

Flowering Time: N/A

Zone: 9-11

Very versatile and responds well to pruning. The yellow and green foliage pops, especially at the front of a flowering border. Perfect for adding a bright color to a shady area.

Miniature Tropical Shade Perennials

Calico Plant, Red Thread

Botanical: *Alternanthera ficoidea*
'Rosea Nana'

Size: Shrub 6" Tall x 6" Wide

Flowering Time: N/A

Zone: 9-11

Crazy colors of magenta, cream and green set this shrub apart. Can be trimmed for a compact habit or let it go for a more natural look.

Calico Plant, Snow Queen

Botanical: *Alternanthera ficoidea*
'Brazilian Snow'

Size: Shrub 6" Tall x 6" Wide

Flowering Time: Summer

Zone: 9-11

Forms thick mounds of cupped and puckered, white-striped green leaves. Small white flowers emerge in the summer as the heat rises. Suited for containers or as an accent plant.

Callisia, Pink Panther

Botanical: *Callisia repens* 'Pink Panther'

Size: Groundcover 2" Tall x 9" Wide

Flowering Time: Early Summer

Zone: 9-11

Waxy green-striped leaves, washed in cream and pink with burgundy undersides. Its creeping nature and a side show of white flowers makes it a standout in hanging baskets.

Ceropegia, Var. String of Hearts

Botanical: *Ceropegia linearis* subsp.
'Woodii Variegata'

Size: Groundcover 1" Tall x 12" Wide

Flowering Time: Late Summer

Zone: 9-11

A trailing succulent with cream, pink, and green heart-shaped leaves. Its stem has a purple tone. A gorgeous plant to add to any living space. Works well as a house plant in a hanging basket.

Ceropegia, String of Hearts

Botanical: *Ceropegia woodii*

Size: Groundcover 1" Tall x 12" Wide

Flowering Time: Summer

Zone: 9-12

A unique and attractive houseplant that has evergreen, succulent, trailing vines. Looks great in a hanging basket. The heart-shaped, fleshy, gray-green foliage has an eye-catching marbled pattern.

Confetti Fern

Botanical: *Pilea microphylla* 'Confetti'

Size: Tree 9" Tall x 9" Wide

Flowering Time: N/A

Zone: 9-11

Eye catching foliage that is on a compact plant. Its tiny rounded leaves have splashes of white and pink. Easy to grow as a houseplant and does great in terrariums.

Miniature Tropical Shade Perennials

Faery Fern, Tiny Tim

Botanical: *Leptinella gruveri*

Size: Groundcover 1/2" Tall x 5" Wide

Flowering Time: Spring-Summer

Zone: 7-11

Frilly edged leaves create a thick carpet of ferny foliage. Thrives in moist, well-drained soil, with regular water. Excellent for edging, a groundcover or in living patios.

Fern, Smallest Boston

Botanical: *Nephrolepis 'Mini Russells'*

Size: Shrub 2" Tall x 3" Wide

Flowering Time: N/A

Zone: 9-11

This petite fern is a delightful addition to any collection. Fronds reach just a few inches in length making it the perfect size for small spaces. Prefers bright, indirect light and moderate humidity.

Fiber Optic Grass, Dwarf

Botanical: *Isolepis radicans*

Size: Groundcover 2" Tall x 12" Wide

Flowering Time: Always

Zone: 8-11

Each blade of grass has a tiny flower head. Rarely reaching two inches, it is not considered invasive though it spreads quickly.

Ficus, Curly

Botanical: *Ficus pumila 'Curly'*

Size: Groundcover 2" Tall x 6" Wide

Flowering Time: N/A

Zone: 9-11

Curly ficus is one of the smallest members of the ficus family. Has vivid green heartshaped leaves with cream-colored mid-veins. Can be trained to climb trellis or topiary.

Ficus, Mini Lucie

Botanical: *Ficus benjamina 'Lucie'*

Size: Tree 12" Tall x 6" Wide

Flowering Time: N/A

Zone: 9-11

With long elegant leaves, this ficus is easy to maintain at any height and provides that rare tree element in a landscape.

Ficus, Tiny Limey

Botanical: *Ficus microcarpa 'Melon Seed'*

Size: Tree 9" Tall x 9" Wide

Flowering Time: N/A

Zone: 9-11

The new foliage begins as lime green and matures to a darker green. The petite waxy leaves, constant selfbranching and tolerance of lower humidity makes this tree a favorite.

Miniature Tropical Shade Perennials

Ficus, Tiny Oak Leaf

Botanical: *Ficus pumila*

'Quercifolia Minima'

Size: Groundcover 1/2" Tall x 4" Wide

Flowering Time: N/A

Zone: 9-11

One of the best miniature ground covers for container gardening. Frog shaped leaves stay tiny and likes to creep along the ground and over rocks. Loves humid spots.

Ficus, Variegated Trailing

Botanical: *Ficus pumila* 'Variegatus'

Size: Groundcover 2" Tall x 12" Wide

Flowering Time: N/A

Zone: 9-11

A trailing ficus displaying heart-shaped, thumbnail-sized leaves with broad white margins. Prefers warm, humid environments with bright indirect light. Perfect for hanging baskets or container gardens.

Ficus, Willow-Leaf

Botanical: *Ficus salicifolia*

Size: Tree 16" Tall x 16" Wide

Flowering Time: N/A

Zone: 9-11

This tree is a little taller than the others. Known for its elongated, light green leaves and tall trunk. Very forgiving and thrives in indoor conditions.

Fuchsia, David

Botanical: *Fuchsia* x 'David'

Size: Tree 14" Tall x 12" Wide

Flowering Time: spring-fall

Zone: 8-11

A free-flowering upright tree with single leaves and small flowers. Flowers are a dainty cerise-red and purple. Prefers morning sun.

Fuchsia, Lottie Hobby

Botanical: *Fuchsia* x 'Lottie Hobby'

Size: Tree 8" Tall x 8" Wide

Flowering Time: Spring-Fall

Zone: 9-12

Fuchsia Lottie Hobby has small fern-like leaves and tiny flowers. Has an upright somewhat dwarf shrub habit. The tubes are cherry red, the sepals red and the single corollas are scarlet.

Fuchsia, Var. Lottie Hobby

Botanical: *Fuchsia* x 'Lottie Hobby Var.'

Size: Tree 6" Tall x 6" Wide

Flowering Time: Spring-Fall

Zone: 7-11

Tiny bright-variegated green and white leaves with small narrow crimson flowers make this fuchsia unique. Loves shade, good air circulation and steady watering.

Miniature Tropical Shade Perennials

Hemigraphis, Dragon Tounge

Botanical: Hemigraphis repanda

Size: Shrub 6" Tall x 5" Wide

Flowering Time: Spring-Summer

Zone: 9-11

Slow-growing with a low growing habit, only reaching 6" tall. The green narrow leaves have a crinkly texture with hints of dark purple or maroon color. Produces pink and white flowers.

Peperomia, Columnar

Botanical: Peperomia columella

Size: Shrub 2" Tall x 4" Wide

Flowering Time: Winter

Zone: 9-11

A tough plant, just don't over water it. Fleshy, plump leaves cover the upright stems of this rare collector plant. It will make flower spikes, usually in the winter.

Peperomia, Ruby Glow

Botanical: Peperomia 'Graveolens'

Size: Shrub 6" Tall x 8" Wide

Flowering Time: Summer

Zone: 10-12

A unique and easy to care for house-plant that has striking green leaves with red undersides. Prefers bright in-direct light and well-drained soil. Perfect for those seeking a low-maintenance plant.

Peperomia, String of Turtles

Botanical: Peperomia prostrata

Size: Groundcover 1/2" Tall x 4" Wide

Flowering Time: Spring-Fall

Zone: 9-11

Light green etching over the medium green, oval leaves roughly resembles a peace sign or a turtle's shell. Its creeping, compact foliage crawls over a terrarium floor. Needs humidity and filtered light.

Peperomia, Taco-Leaf

Botanical: Peperomia axillaris

Size: Tree 6" Tall x 4" Wide

Flowering Time: Spring-Fall

Zone: 10-11

Green, peapod like leaves that like the sun but do better with in-direct light. A peperomia flower stalk is covered in tiny yellow flowers multiple times a year. Does not like to dry out completely.

Pilea, Trailing Blue Angel

Botanical: Pilea glaucophylla 'Greyzy'

Size: Groundcover 1" Tall x 8" Wide

Flowering Time: Spring-Fall

Zone: 9-11

Blue foliage with silver streaks topped with rust red flowers. Easily trimmed and controlled. Perfect trailing plant in a tropical basket.

Miniature Tropical Shade Perennials

Plectranthus, Pillow Plant

Botanical: Plectranthus Prostratus
Size: Shrub 2" Tall x 12" Wide
Flowering Time: Fall
Zone: 7b-10a

Dense mats of small, oval, green, heart shaped leaves. Ideal for hanging baskets as they will quickly drape over the sides. Will produce small purple flowers in clusters. Grows best in semi-shade.

Scilla, Mini Leopard Lily

Botanical: Ledebouria socialis 'nana'
Size: Shrub 2" Tall x 4" Wide
Flowering Time: Summer
Zone: 10a-11

This plant's distinctive color and texture comes from its mottled leaves. Produces small, bell-shaped flowers. Used mostly as a house plant but also works well in gardens and containers.

Shamrock, Plum Crazy

Botanical: Oxalis vulcanicola 'Plum Crazy'
Size: Shrub 5" Tall x 5" Wide
Flowering Time: Spring-Fall
Zone: 8-11

Cute clover-shaped pink and purple variegated foliage. Tiny yellow flowers appear mostly in the summer. Petite and colorful, perfect for small spaces.

Snowbush, Dwarf

Botanical: Breynia nivosa 'Roseopicta Nana'
Size: Tree 12" Tall x 6" Wide
Flowering Time: N/A
Zone: 9-11

Tolerant of low light and dry conditions. This is an ideal houseplant. A soft pink tree form with an airy, delicate look gives false impressions of a flowering shrub.

Spikemoss, Frosty Fern

Botanical: Selaginella kraussiana variegatus
Size: Groundcover 3" Tall x 4" Wide
Flowering Time: N/A
Zone: 8-11

This spikemoss needs a little more sun than the others to bring out the frosted colors. Great color at Christmas time for indoor planters. Easy to maintain as a tropical houseplant or in a terrarium.

Spikemoss, Golden

Botanical: Selaginella brownii 'Aureum'
Size: Groundcover 2" Tall x 6" Wide
Flowering Time: N/A
Zone: 6-11

In all day shade, this spongy ground-cover remains chartreuse but add a bit of morning sun and a golden, soft carpet emerges. Can grow fast, but is easily pruned.

Miniature Tropical Shade Perennials

Spikemoss, Green

Botanical: *Selaginella kraussiana*

Size: Groundcover 2" Tall x 12" Wide

Flowering Time: N/A

Zone: 6-11

A fern-like perennial that forms a low, mounded cushion of whorled green leaves. Ideal for terrariums or dish gardens. Thrives in moist conditions.

String of Pearls

Botanical: *Curia (Senecio) Rowleanus*

Size: Groundcover 1" Tall x 8" Wide

Flowering Time: Winter

Zone: 9-11

An old fashion favorite, unlike other succulents, it doesn't require a full day of sun and it likes more water. Pours over baskets and edges of containers.

String of Pearls, Variegated

Botanical: *Curia (Senecio)*

rowleanus variegata

Size: Groundcover 1" Tall x 5" Wide

Flowering Time: Winter

Zone: 9-11

Rare and sometimes tricky to grow. Marble variegation shows off best with more shade than sun. Avoid hot afternoon sun. Perfect for baskets.

Perfect for Houseplants & Terrariums

Requires low-light and are very low-maintenance.

Houseplants improve air quality, enhance your mood and reduce stress.

Miniature Shade plants allow you to be creative with small indoor spaces.

Works well in small hanging pots, terrariums, & containers.

Miniature Tropical Sun Perennials

Bougainvillea, Pixie Pink

Botanical: Bougainvillea 'Pixie Pink'

Size: Shrub 2' Tall x 3' Wide

Flowering Time: Spring-Fall

Zone: 10-11

More of a shrub than a vine. Can be pruned to any size or shape which makes it a perfect bonsai specimen. Is thornless with beautiful pink flowers.

Chili, Bonsai Fire Tiny

Botanical: Capsicum x 'Bonsai Fire Tiny'

Size: Shrub 3" Tall x 3" Wide

Flowering Time: Spring-Fall

Zone: 9-11

An easy growing bonsai tree that bears edible, but fierce yellow, burnt orange and red fruits on tiny leaves. A great conversation piece when placed in a container.

Coleonema, Confetti Tree

Botanical: Coleonema pulchellum

Size: Tree 9" Tall x 9" Wide

Flowering Time: Spring

Zone: 9-11

Sweetly fragrant, bright green needles tipped with aromatic, pink flowers that are drought and wind tolerant. Flowers are at the branch ends and sway with the slightest breeze.

Coleus, Mini Autumn-Leaf

Botanical: Coleus x 'Tiny Red Toes'

Size: Tree 9" Tall x 9" Wide

Flowering Time: N/A

Zone: 9-11

Attractive tiny narrow leaves remain light green in color with showy fuchsia variegation throughout the year. Forms a thick tree that is drought tolerant and deer resistant.

Coleus, Mini Red-Leaf

Botanical: Coleus x 'Cantigny Royale'

Size: Tree 9" Tall x 9" Wide

Flowering Time: N/A

Zone: 9-11

Tiny duckfoot leaves turn deep purple, almost black in full sun. Can be grown in shade or sun. Does well in plantings or in containers.

Cushion Bush

Botanical: Calcecephalus brownii

Size: Shrub 6" Tall x 6" Wide

Flowering Time: Winter

Zone: 9-11

Stiff, silvery white leaves on wiry branches make this a great foliage accent plant. Plenty of sunshine is required to keep growth compact and silvery.

Miniature Tropical Sun Perennials

Cypress, Lemon Scented

Botanical: Cupressus macrocarpa 'GoldCrest'

Size: Tree 14" Tall x 8" Wide

Flowering Time: N/A

Zone: 7-11

A columnar shaped evergreen with bright golden-yellow foliage. When crushed or brushed against, the needles smell strongly of lemons. An excellent container plant or color accent for your garden.

Elfin Herb, Assorted Colors

Botanical: Cuphea hyssopifolia

Size: Tree 12" Tall x 12" Wide

Flowering Time: Spring-Fall

Zone: 8-11

A versatile, tiny, compact flowering tree. Has finely textured, glossy, green foliage. Will rebloom continuously into the fall season. A popular container plant that can be easily shaped.

Erodium, Faery Double Pink

Botanical: Erodium x variable 'Flore Pleno'

Size: Shrub 3" Tall x 4" Wide

Flowering Time: Spring-Winter

Zone: 7-11

Pink, red streaked, double flowers bloom year round. One of the few garden plants that flower the entire season. Tolerates light foot traffic and works well in rock gardens.

Erodium, Faery White

Botanical: Erodium x variable 'Alba'

Size: Shrub 4" Tall x 5" Wide

Flowering Time: Spring-Winter

Zone: 7-11

A pretty perennial that forms a dense mat of grey-green leaves. White flowers appear from spring to winter. Its ideal for a border plant or in a container display.

Monkey Flower, Blue

Botanical: Lindernia grandiflora

Size: Groundcover 1" Tall x 8" Wide

Flowering Time: Spring-Winter

Zone: 9-11

Dark blue and pure white flowers appear above glossy, green, heart-shaped leaves. It loves the heat and water, but is slow to spread due to its love of flowering.

Myrtle, Mini

Botanical: Myrtle communis 'Minima'

Size: Tree 12" Tall x 10" Wide

Flowering Time: Summer

Zone: 8-10

Easy to grow and has the perfect shape. A tiny specimen with stiff stems and thin, pointed leaves. It is distinguished by its berry-bearing white flowers with yellow stamens. A great addition to hedges, patios and containers.

Miniature Tropical Sun Perennials

Myrtle, Mini Variegated

Botanical: *Myrtus communis*
'Microphylla Variegata'

Size: Tree 12" Tall x 8" Wide

Flowering Time: summer

Zone: 9-11

White-striped variegated foliage, a semi-weeping form, and black fruits make this a delightful plant. Summer brings abundant white blooms that are sweetly scented. Edible, fragrant, and great foliage interest.

Pomegranate, Dwarf

Botanical: *Punica granatum* 'Nana'

Size: Tree 12" Tall x 12" Wide

Flowering Time: Spring-Fall

Zone: 7-11

A dwarf, showy plant that has attractive orange-red flowers followed by bright orange-red ornamental fruit. Excellent for containers, in the garden, or as a bonsai specimen. Does best in hot, dry, summer areas.

Privet, Mini Golden

Botanical: *Lonicera nitida* 'Baggescens Gold'

Size: Tree 8" Tall x 4" Wide

Flowering Time: N/A

Zone: 7-11

Yellow foliage gets more golden relative to the amount of sun. However, if it turns white, dial back on the exposure to afternoon sun. Grows slowly and is easily shaped.

Rosemary Baby P.J.

Botanical: *Rosmarinus officinalis* 'Baby P.J.'

Size: Shrub 3" Tall x 8" Wide

Flowering Time: Winter-Early Summer

Zone: 7-11

Classic tiny, flossy needles show off blue flowers in the winter time. Best grown as a shrub that is allowed to grow over container edges. Does best with excellent drainage.

Sedum, Japanese Golden

Botanical: *Sedum makinoi* 'Ogon'

Size: Groundcover 2" Tall x 8" Wide

Flowering Time: Spring

Zone: 7-11

A low growing mat-forming plant with small golden yellow leaves. It prefers partial sun and dry to medium moisture. Very heat and drought tolerant.

Sedum, Tokyo Sun

Botanical: *Sedum japonicum* 'Tokyo Sun'

Size: Groundcover 2" Tall x 8" Wide

Flowering Time: Summer

Zone: 9-11

A groundcover succulent that has a pop of bright yellow color. Spreads and mounds very fast and is drought and heat tolerant. During the summer it produces star shaped flowers.

Miniature Tropical Sun Perennials

Silver Needle Tree

Botanical: Corokia cotoneaster
Size: Tree 8" Tall x 6" Wide
Flowering Time: Winter
Zone: 7-11

Wirey, zig-zag branched tree with yellow flowers each winter. A curiously attractive plant with tiny grey-green leaves. Perfect in containers or bonsai.

Snowrose, Cherry Blossom

Botanical: Serissa foetida 'Cherry Blossom'
Size: Tree 12" Tall x 12" Wide
Flowering Time: Spring-Fall
Zone: 8-11

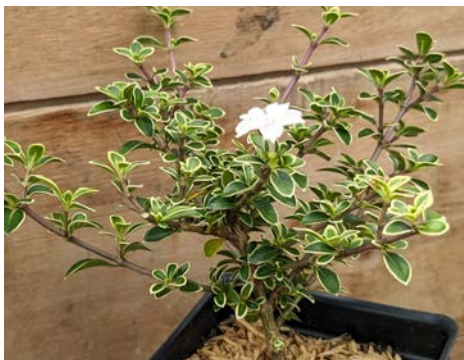

Green and white foliage carries strong, single pink flowers that are funnel-shaped. Grown for its neat habit, good coverage of branches, and long flowering time.

Snowrose, Double White

Botanical: Serissa foetida 'Flore Plena'
Size: Tree 12" Tall x 12" Wide
Flowering Time: Spring-Fall
Zone: 8-11

Double flowers almost resemble tiny white roses. The flowers shine against the dark green, small, fine textured foliage. The heaviest flowering time is in the spring, although flowers will still be produced into the fall season.

Snowrose, Pink Mountain

Botanical: Serissa foetida 'Pink Mountain'
Size: Tree 12" Tall x 12" Wide
Flowering Time: Spring-Fall
Zone: 8-11

A natural plant for bonsai and miniature gardening. Featuring a long blooming season with masses of tiny light pink/white flowers on variegated foliage. Dislikes too much or too little water.

Sophora, Little Baby

Botanical: Sophora prostrata 'Little Baby'
Size: Tree 3' Tall x 3' Wide
Flowering Time: Spring
Zone: 8-11

A small upright tree prized for its wiry, zig-zagging branching habit. Has small leaves and yellow-orange flowers in the Spring. Adapts well to various soil conditions.

Yellowwood/Pepper Tree

Botanical: Zanthoxylum armatum
Size: Tree 12" Tall x 2" Wide
Flowering Time: Winter
Zone: 9-11

Delicious, peppery, pinnate leaves appear to have 'leaf shine' sprayed on them. This unusual plant is prized by bonsai artists and chefs. It is edible!

Miniature Tropical Sun Succulents

Aeonium, Irish Bouquet

Botanical: Aeonium x 'Irish Bouquet'
Size: Tree 5" Tall x 5" Wide
Flowering Time: Winter
Zone: 9-11

A compact shrub covered in green bouquets. The red trunk of the tree compliments the autumn red tips. It needs bright sunlight, great drainage, and infrequent water to prevent rot.

Aloe, Miniature

Botanical: Aloe descoingsii
Size: Shrub 2" Tall x 3" Wide
Flowering Time: Summer-Fall
Zone: 8-11

The smallest aloe in the world. Bristly, stiff, dark green leaves produce tubular, orange flowers that attract birds and bees in May.

Cactus Spice, Drunkard's Dream

Botanical: Hatiora salicornioides
Size: Shrub 4" Tall x 6" Wide
Flowering Time: Winter
Zone: 9-11

Swollen, tube-like branches grow from upright woody stems. Tiny yellow blooms in the winter will develop into pink berries. Requires little water and light to survive.

Cactus, White Thimbles

Botanical: Mammalaria gracilis fragilis
Size: Shrub 1" Tall x 3" Wide
Flowering Time: Summer
Zone: 8-11

A beautiful, small cactus covered in interwoven white spines. Grows in clusters and produces tiny cream-colored flowers in cooler months.

Crassula, Mini Green Pogoda

Botanical: Crassula dependens bolus
Size: Shrub 3" Tall x 5" Wide
Flowering Time: Mid-Summer
Zone: 9b-11b

A flowering succulent plant with an excellent growth habit. An excellent choice for those who like drought-tolerant, low maintenance plants. Flowers range from pink to white in color. Perfect in planters.

Crassula, Watch Chain

Botanical: Crassula Miscosa 'Watch Chain'
Size: Shrub 12" Tall x 8" Wide
Flowering Time: Spring-Summer
Zone: 9b-11b

A succulent variety that has leaves tightly compacted around the stem. Has tiny yellow-green flowers in the Spring into Summer. Unique and easy to care for. Perfect in a succulent container or rock garden.

Miniature Tropical Sun Succulents

Creumnosedum, Little Gem

Botanical: Creumnosedum, 'Little Gem'

Size: Shrub 4" Tall x 6" Wide

Flowering Time: Late Winter-Spring

Zone: 8b-10a

Dense clumps of bronze green rosettes that turn reddish in full sun. It produces star-shaped yellow blooms in early spring. Needs good drainage and infrequent water.

Cactus, Variegated Fairy Castle

Botanical: Acanthocereus tetragonus
'Variegated Fairy Castle'

Size: Shrub 10" Tall x 12" Wide

Flowering Time: Nocturnal Flowers

Zone: 10a-11b

A dwarf slow-growing cactus with mid-green stems that have creamy-yellow markings. The stems grow upward in irregular spires making no two plants alike. The shape resembles a castle, giving the plant its name.

Peanut Cactus

Botanical: Echinopsis Chamaecereus

Size: Shrub 6" Tall x 12" Wide

Flowering Time: Late Spring

Zone: 10-12

A small low-growing cactus that is easy to grow and has vibrant orange flowers. Can be grown indoors as a houseplant or in hanging baskets, containers, and rock gardens. The unique appearance makes it a popular choice for gardeners.

Jade, Baby Tree

Botanical: Crassula x portulaca
'Baby Jade'

Size: Tree 12" Tall x 10" Wide

Flowering Time: Spring

Zone: 9-11

A fantastic grower whether grown indoors in a container or outside as a tree. When grown in direct sun, the round leaves flush red at the edges. Produces clusters of starry white flowers.

Jade, Fickle Pickles

Botanical: Crassula prinos

Size: Shrub 12" Tall x 10" Wide

Flowering Time: Summer

Zone: 9-11

Strangely shaped, green fleshy leaves grow in every direction. Branches are covered with hairs when young, but becomes smooth bark when mature. Flowers white in the summer.

Jade Mini Kitty

Botanical: Crassula marginalis
'Minuta Variegata'

Size: Groundcover 1" Tall x 6" Wide

Flowering Time: Summer

Zone: 9-11

Minimal watering brings out the pink edges of the green and white foliage. Great groundcover for the edge of pots or in strawberry jars. Buds open to summer white flowers.

Miniature Tropical Sun Succulents

Jade, Tiger

Botanical: *Crassula exilis* ssp. *picturata*
Size: Shrub 2" Tall x 3" Wide
Flowering Time: Summer
Zone: 9-11

Its gorgeous compact rosettes consist of dark green leaves with black spots. Leaves turn reddish color in the summer as the white and pink flowers arrive.

Jade, Tom Thumb

Botanical: *Crassula rupestris* ssp. *commutata*
Size: Shrub 3" Tall x 5" Wide
Flowering Time: Spring-Summer
Zone: 9-11

A miniature stacked crassula. Grows best in bright sunlight which helps the leaves show their fine red margins. Will stay small in a pot but will eventually spill over the edge. Has neat clusters of tiny white flowers.

Life-Saver Plant

Botanical: *Huernia zebrina* *magniflora*
Size: Shrub 2" Tall x 4" Wide
Flowering Time: Summer-Fall
Zone: 9-11

Absolutly the most bizarre flower as it looks like a wine-colored "gummi lifesaver" was set in the middle of each star shaped flower. Perfect in small containers for a conversation starter.

Monanthes, Canary Island

Botanical: *Monanthes polyphylla*
Size: Shrub 2" Tall x 5' Wide
Flowering Time: Spring and Fall
Zone: 8-11

Light green, plump leaves form small rosettes clustered together in cushions. They thrive in well drained soil, plenty of water, and morning to early afternoon sun.

Pickle Plant

Botanical: *Delosperma Echinatum*
Size: Shrub 12" Tall x 12" Wide
Flowering Time: Summer
Zone: 7a-10b

A low-growing, shrubby succulent that has slender, upright or trailing stems. The leaves resemble a tiny pickle that produces daisy like white to pale yellow flowers in the summer.

Portulacaria, Rainbow Bush

Botanical: *Portulacaria afra* 'Medio-picta'
Size: Shrub/Tree 9" Tall x 6" Wide
Flowering Time: N/A
Zone: 9-11

A dwarf portulacaria with incredible cherry red stems and variegated leaves. Grows into a mini tree or an easy, small bonsai. It does not want or need a full day of hot sunshine. Enjoys sunny windows and sparing water in the winter.

Miniature Tropical Sun Succulents

Purslane, Hana Misteria

Botanical: Portulaca pilosa 'Hana Misteria'
Size: Groundcover 3" Tall x 6" Wide
Flowering Time: Late Spring-Early Fall
Zone: 10-11

Known for its striking variegated foliage and vibrant magenta flowers with bright yellow centers. A colorful, low-maintenance succulent. Very drought tolerant and thrives in high heat and dry conditions.

Sedeveria, Pink Granite

Botanical: Sedeveria, Pink Granite
Size: Groundcover 2" Tall x 8" Wide
Flowering Time: Fall
Zone: 10-11

Soft pink leaves with a light green center. Beautiful when spilling out of containers. Has the brightest hues when grown in full sun.

Sedum, Crested

Botanical: Sedum indicum
Yunnanense Crest
Size: Groundcover 3" Tall x 6" Wide
Flowering Time: Fall-Early Winter
Zone: 7a-11b

A rare collector's succulent. A rosette of dark green leaves with soft points at the tips. Small white flowers appear in the fall and early winter that have a sweet scent.

Sedum, Mini Jelly Bean

Botanical: Sedum rubrotinctum 'Mini Me'
Size: Shrub 2" Tall x 5" Wide
Flowering Time: Spring
Zone: 9-11

Round, fleshy leaves that spiral up its stems. The color varies from green to red depending on the amount of bright sunlight. An excellent plant that is drought and full sun tolerant.

Senecio, Mini Blue Chalksticks

Botanical: Senecio ssp. 'Mini Blue'
Size: Shrub 5" Tall x 3" Wide
Flowering Time: Summer
Zone: 10-11

A small low growing succulent, that roots along the stems to provide an easy care, groundcover for hillsides and yards. Powdery blue-green leaves all year around.

Senecio, String of Dolphins

Botanical: Curia (Senecio) peregrinus
Size: Groundcover 2" Tall x 8" Wide
Flowering Time: Winter
Zone: 9-11

An easy to care for succulent with leaves that look like flying dolphins. Perfect for on the edge of containers or hanging baskets. Has white flowers in the winter.
